The image displays a detailed texture of a stone wall. The stones are of various sizes and shapes, creating a mosaic-like pattern. The color palette is earthy, with shades of light tan, beige, and cream, interspersed with darker tones of brown, grey, and muted green. The surfaces of the stones appear rough and weathered, with some showing signs of lichen or mineral deposits. The lighting is even, highlighting the natural grain and irregular edges of the masonry.

85017-1

The image shows a detailed view of a brick wall. The bricks are rectangular and laid in a standard running bond pattern. There are several different shades of earthy tones, including light beige, tan, and a slightly darker, speckled beige. The texture of the bricks appears slightly rough or weathered. The mortar joints are visible between the bricks.

85018-1

85018-2

The image displays a close-up of a wall or surface covered in square stone tiles. The tiles are arranged in a regular grid, alternating between different colors and textures. The colors range from light beige and tan to darker, more mottled grey and brown tones. Each tile has a rough, natural stone appearance with visible grain and some surface irregularities. The lighting is even, highlighting the texture of the stones. In the upper right corner, the alphanumeric code '85018-2' is printed in a black, sans-serif font.

85023-2

85024-1

85024-2

The image displays a dense arrangement of rectangular stone tiles, likely travertine or limestone, used for wall cladding. The stones are laid in a staggered, horizontal pattern. The color palette is earthy, featuring various shades of beige, tan, light brown, and muted grey. The surface of the stones shows natural textures, including veining and some minor pitting or weathering. In the upper-middle section, the alphanumeric code '85024-2' is printed in a bold, black, sans-serif font.
